Living with Grief® - Aging America: Coping with Loss, Dying, and Death in Later Life

Wednesday, March 27, 2019 - 8:15am-11:00am
Spencer Road Library
427 Spencer Road
St Peters, MO 63376

America is aging at a rapid rate with 10,000 people in the U.S. turning 65 every day. Medicare is expected to include 80 million enrollees by 2040. How can mental health professionals, healthcare providers, clergy, bereavement counselors, and the wider community support the growing number of aging Americans through their losses, grief, and healthcare challenges in later life?

Best Practices in Counseling Survivors of Sudden and Traumatic Loss

Tuesday, July 9, 2019 - 8:30am-10:00am
Baue Community Center
608 Jefferson Street
St. Charles, MO 63301

Sudden and traumatic loss brings particular challenges and difficulties to griever. This program explores the most current thinking about how the grief process can be impacted when the loss is sudden and how best to support these survivors.

Managing Difficult Family Dynamics During Illness And Death

Tuesday, June 4, 2019 - 8:30am-10:00am
Baue Community Center
608 Jefferson Street
St. Charles, MO 63301

Death and dying is a challenging time for any family; for families who already have ongoing conflict or difficulties in communicating, these challenges can directly impact the dying and grieving process. This program examines ways in which hospice caregivers and other professionals can best work with these families to find opportunities for growth and meaning making even in the face of difficult dynamics.
